REPLY BRIEF

15 S I R:

In response to the September 21, 2005 Examiner's Answer and in further support of Applicant's Notice of Appeal filed November 1, 2004 and Applicant's Appeal Brief filed June¹ 3, 2005, the Assignee of the entire right,
20 title, and interest of the subject application (the "Appellant") respectfully submits this Reply Brief.

I. GROUND'S OF REJECTION

The Appellant respectfully submits that the references cited by the Examiner are unavailable at the indicated internet address, therefore rendering the Examiner's
5 arguments invalid for lack of support.

The Appellant respectfully submits that the Examiner failed to address Appellant's argument that a cookie, as taught in the present invention is embodied in a web-based software product sold by HearMe, Inc. as discussed in
10 section "**VII. Argument - A. Overview**" of Appellant's Appeal Brief. Rather, the Examiner reiterated his existing rejection under 35 U.S.C. § 112, without addressing any of the issues raised in Appellant's Appeal Brief.

II. CONCLUSION

Appellant respectfully submits that the present invention is fully described in the subject application so as to enable a person of ordinary skill to make or use the invention without undue experimentation. Thus, Appellant respectfully submits that the present application is ready for allowance. Early and favorable consideration is accordingly solicited.

10

Respectfully submitted,

Date 11/21/2005
